

Call for Presentation Proposals

SPEAKERS WANTED

[IEMSA 2016 Conference](#)

November 11-12, 2016

Wyndham Indianapolis West Conference Center | Indianapolis, IN, USA

This IEMSA 2016 Conference will be one of the most inclusive gatherings of ambulance and pre-hospital care leaders from all parts of Indiana. Our primary focus continues to be providing critical information that both new and established practitioners and ambulance services can utilize to better serve their communities and operate more effectively and efficiently.

Please send proposals to proposal@indianaemsaconference.com

The following are suggested general topic areas, but other subject areas are also welcome:

- Recruitment, Retention and Human Resources
- Clinical Innovation in the Pre-Hospital or ED Care Setting

- Operations, Risk Management and Safety
- Management and Supervision
- Leadership Development & Structure
- Clinical/Quality Assurance Program
- Reimbursement/Patient Accounts
- Innovations, Technology and Communications
- Emerging Healthcare Trends/Hot Topics
- Healthcare Reform Public Health/Partnering with ACO's
- Community Para-medicine Trial Projects and/or Results

Format of Sessions

Sessions, unless otherwise requested, are 45 minutes including Q&A. We are accepting single speaker as well as panel discussions. Sessions may be either classroom style or set for small workgroups. Audience involvement is encouraged.

Proposal Instructions

Please be advised that participation as a presenter is strictly on a voluntary basis. IEMSA is unable to pay speaker fees or travel and lodging expenses. You will get free admission to all sessions of the conference and complimentary lunch on the day you speak. Otherwise, participation will be at your own expense for your own exposure.

Information to be included on your proposal

- Name, title, organization affiliation, address, city, state, zip code, business phone number with area code and e-mail address.
- IEMSA membership status. *It is not necessary to be a member of IEMSA to submit a session proposal. However, some preference will be given to IEMSA members.*
- The Title of your proposed session

- The Experience Level of speaker(s). If you have presented or spoken before, please include the event names & dates
- A detailed narrative description of the proposed session or workshop, including the following, as appropriate:
 - Experience Level (basic, intermediate or advanced) of the intended audience
 - Recommendations, findings or practice models for replication
 - Describe what your audience will be able to take away from your presentation and be able to use immediately in their business or personal life.
 - 50-75 word description of your presentation for marketing purposes
 - A 50-75 word biography and head picture for marketing purposes
 - What presentation equipment you will require: (If you use Powerpoint, we will supply the projector and a microphone.)
 - We will provide a powerpoint slide design for your presentation and all presentations and handouts must be submitted to IEMSA by October 15.

The deadline for submissions is June 30, 2016. Applicants may have more than one submission. Audience involvement is highly encouraged. Submit proposals to:

proposal@indianaemsaconference.com

Presenters will be selected and notified by July 31.
